**FINEST
FUTURE**

INTRODUCTION

Finland is widely regarded to have the best educational system on the planet. Many international students have been able to experience the amazing higher education Finland has to offer. Until now only a few have also experienced High School in Finland. All of that is changing. We at Finest Future are bringing you the opportunity to enter the best High Schools on the planet in Finland. Oh... and don't forget the FREE university education!

PROGRAM

By first learning the Finnish language up to B1.1-level, you can apply to any High School in Finland. We help you to identify just the right school for you, based on your needs and eligibility.

One of the Uzbek students in the '21 Finest Future High School program. Picture taken from Finnish class

ENTERING THE FINEST FUTURE HIGH SCHOOL PROGRAM

The first step is to apply to our program. You can find all the necessary details at www.finestfuture.org/high-school

After passing our interview you will be admitted into our Finnish language learning program. We will also work on finding you some great choices for High Schools

In February you will be applying to your desired schools. Upon a successful selection, you will continue learning Finnish with us up until your school starts in Finland!

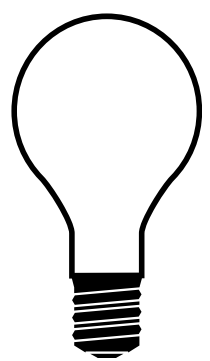

When it's time, we help you with acquiring your Visa. We also make sure to aid you in relocation all the way until you reach your new home in Finland

YOUR TEACHERS

KRISTA JOKINEN

Krista is one of the many amazing teachers Finland has to offer for you. She will be the leading teacher in our program, and also a mentor for all the other Finnish language teachers responsible for your learning.

Did you know that all teachers in Finland must have at least a Master's Degree to be eligible to teach?

FINNISH LANGUAGE LEARNING

Our amazing Finnish teachers will take care of all your teaching. First, up until B1.1-level and upon a successful entry into our High Schools, you will continue learning High School specific Finnish.

We will take into account your current schedule and needs in Finnish learning. Each student is equal based on the principles in Finland. The same applies to our language learning program

We also have great support for you in selecting your ideal High Schools, Apartment to live in, Relocating to Finland, Family support, and much more...

Vietnam & Uzbekistan
17 Students
7 High Schools from Finland

For 2022
500 Students from 5 countries
30+ High Schools from Finland

FOR PARENTS

Finland has been ranked as one of the safest countries in the world. Your children will be able to enjoy their education in an environment that allows for parents to feel at ease.

Each student group will be assigned to a Guardian. The Guardian will ensure that in case of an accident or minor emergency, your children have help close by whenever and wherever.
